LETTER FROM THE CHAIRMAN

Dear Fellow Pet Lovers,

I am happy to tell you that we are making great progress and it is only the beginning of the new fiscal year. However that doesn't mean we can relax. In fact, we are rolling up our sleeves and working harder than ever on behalf of the homeless and abandoned animals in our community.

Spring and summertime are always extremely busy for us. This year our shelter cared for record breaking number of animals in need of loving homes. We were especially inundated with many litters of puppies and kittens but the wonderful staff and volunteers at the Humane Society of Greater Miami did a great job caring for them all and doing everything possible to find them permanent and loving homes to call their own.

Now that fall is upon us, we are working diligently to get ready for the upcoming event season. Animal lovers come in record numbers to support and attend our events - we couldn't do it without you and we look forward to seeing you all again this year!

Get ready to attend an array of fabulous fundraising events we have planned for the new season: Pawpurrazzi is our signature annual gala and the most fun event of the year; believe it or not Brunch for the Animals is now in its 17th year and bigger and better than ever; our largest community event, Walk for the Animals, will be presented again by Pet Supermarket, a very generous sponsor to our organization; the 2nd Annual Holiday Lights for the Animals is a festive and heartwarming, fun event for the entire family; and, of course, the Mega Adoption Event where hundreds of animals find their forever homes. None should be missed.

Great news! During the summer we were busy expanding our clinic at the Soffer and Fine Adoption Center in North Miami Beach. Now with double the space to perform spay/neuter surgeries and to provide preventive vaccines, we are excited to be able to help twice as many pets and their owners. We invite you to come and visit, check out our services, and enjoy the new surroundings. Or, if you live in the southern part of the County, check out our South Clinic at Cutler Bay. We have great professional medical teams that are ready to help you and your pets at both clinics.

I would like to personally, and on behalf of our Humane Society, thank Espíritu Santo Bank for choosing us as one of four recipients to receive \$10,000 in celebration of their 40th anniversary. We truly appreciate the Bank's generosity and its support of the animals.

As a private, not-for-profit organization, we do not receive any money from any local, state, or national government agency and we rely on our community for financial support. Thank you for your continued dedication to the animals and we look forward to seeing you at our events and appreciate your continued generosity.

And last, but certainly not least, I am very pleased to announce that Laurie Hoffman is our new Acting Executive Director. During her more than nine years with the Humane Society, she has proven to be an important asset to the organization. I know many of you have gotten to know her during this time and will join me in heartfelt congratulations.

Warmest Regards,

Pat Wallace

Pat Wallace, Chairman
of Board of Directors

HAPPY TAILS

Many thanks to all the wonderful people who have opened up their homes to a new dog, cat, puppy, or kitten. Our adoption program has greatly improved and we are proud to report that in 2012 we placed close to 3,200 wonderful pets into loving homes. The more we adopt, the more we save! Help us save more animals by adopting today!

We love to hear from our adopters. Please post your stories and photos on our Facebook page or email them to dani@humanesocietymiami.org.

ALLEN

"First let me thank Meagan and Seth for their kind attention in helping me meet Allen. Allen is a dream...he is a perfect fit with my other dogs and cat...it's been two days and it feels like he has been here forever...meant to be." Chris R.

DONATELLO & KEVIN

"I adopted both Donatello & Kevin from the Humane Society of Greater Miami! They are very funny... And yes, they came with those names! Lol" Allison K.

SCARLET

"We adopted Scarlet yesterday and we couldn't be happier to have this addition to our household. She is sweet and loving and exactly what we needed. Dayle was a great help through it all. Thank you so much. Kisses from Scarlet!" Jennifer C.

SANDRA

Remember Sandra, our kitty with the saddest story... she now has a wonderful home and lots of love and playtime. Thank you Rosita for opening your heart and your home to this little angel. And, thank you Ciro, our wonderful volunteer, for your big heart and your determination to find a good home for Sandra.

GABBA

"Got Gabba (known as Gabby to the shelter) back in November and she's been living it up on the beach. Thank you for such a lovable little monster. We may be back to adopt another lil' one soon enough!" Victoria L.

SANJI

"In October 2012, I adopted a dachshund mix who at the time was named "Harry". Harry who is now named "Sanji" is doing well. He is a lovely dog with lots of energy, and he is very popular for his puppy dog looks. I am glad to have had such a great experience with my dog and with the great customer service at the Humane Society of Greater Miami." Alexandra H.

SAMUEL

"We adopted Samuel, the English Cocker Spaniel with the amputated front leg. He is doing great. We have a large fenced yard and a couple of other English Cocker. Samuel has fit right in. It's fun watching him run with the others. He has sort of a gallop with his ears flying in the wind. He has no trouble keeping up. I guess we can all take a life lesson from Samuel, which is that no matter what life throws at him, he's going to take it in stride. Thanks to the North Miami Beach Humane Society for taking a special effort to make this happen." Richard F.

ZIGGY

"I want to share my story with you. Today marks one year since my adoption. And I want to thank you for giving me such a wonderful best human friend!" Ziggy C.

**TO SEE ALL OF OUR PETS AVAILABLE FOR ADOPTION, PLEASE VISIT OUR WEBSITE:
WWW.HUMANESOCIETYMIAMI.ORG, AND MAKE ADOPTION YOUR ONLY OPTION!**

The Humane Society of Greater Miami is a private, not-for-profit, 501(c)(3) organization that prides itself on its limited admit/adoption guarantee philosophy. Because we take care of all pets surrendered to us for as long as it takes to find them loving homes, we unfortunately often cannot accept new animals until the ones we have are adopted. The more we adopt, the more we save!

Your understanding and support of our mission is very important to us - help us spread the word about adoptions and donate today so we can carry on our mission! Financial support for the Humane Society of Greater Miami programs and services is provided solely by donations from individuals, corporations, and foundations.

BARKS & BUBBLES DOGGIE WASH

A fun day was had by all at our Barks & Bubbles Doggie Wash on Saturday, May 18, 2013, at the Soffer and Fine Adoption Center. For a donation of \$5, dogs enjoyed an outdoor bath, (rub a dub-dub, each dog got a scrub), along with free nail polish, Paw-casso Paw prints (think finger painting for dogs using their paws), pet boutique specials, music, games, and refreshments. An event that every member of the family found "paw-some!"

ADOPT-O-MANIA

An amazing score of 102! That's how many furry friends found forever homes on June 02, 2013 at the Adopt-O-Mania at Marlins Park! The Humane Society of Greater Miami, Miami-Dade Animal Services, and The Cat Network showcased their adoptable pets while free spay/neuter surgeries and free vaccines were being offered on location. A big thank you to the **Marlins Ayudan team** and the **Voice** for putting it together.

BAILEY'S BIRTHDAY PARTY

Coconut Grove Gallery & Interiors held the best doggie birthday party for their "Chief Mascot Officer", Bailey, on June 15, 2013. Sheila and Frank Kuhl, owners of the Gallery and Bailey's parents, provided music,

food and refreshments and invited us to bring our wonderful pets for adoption. A portion of the proceeds of sales that day were donated to our organization and two doggies found their forever home. Thanks Sheila and Frank and Happy Birthday, Bailey!

BARK IN THE PARK (NOT TO BE CONFUSED WITH OUR MARLINS BARK AT THE PARK)

On the morning of Sunday, June 23rd, **Worldwide Properties** held the first annual Bark in the Park event at Washington Park in Miami Beach, a fundraiser and an adoption event to benefit the Humane Society of Greater Miami. Two dogs were adopted at the event and we raised over \$1,200 through donations and silent auction prizes from local establishments, such as Equinox, Petco, Zuma, Warren Tricomi, Reward Fishing Fleet, PMP Wine Tasting and Nikki Beach. Miami Beach City Commissioner, Jorge Exposito, presented Worldwide Properties' Eddy Martinez and Roland Ortiz with a City of Miami Beach Certificate of Recognition to commemorate the day and to salute Worldwide Properties for working to increase public awareness and help dogs find responsible homes.

ONLY THE BEST FOR OUR PETS

Great Florida Bank's Miami Beach Solution Center was transformed into a pet paradise as we showcased our adoptable dogs and Jodi

Ziskin, a Holistic Nutrition & Wellness Specialist for Pets, prepared live cooking demos of easy, organic and homemade pet food. Hope Lane, a South Florida artist who specializes in pet portraits, was also part of the festivities. The event was free and two-legged guests enjoyed food and wine while their four-legged companions enjoyed "doggy bags" from the cooking demos. The Bank made a generous donation to the Humane Society; thank you Great Florida Bank!

BARK AT THE PARK RAISED CLOSE TO \$6,000!

For all who haven't been to the sensational Marlins Park yet, here was a chance to bring the entire family—both two and four-legged—to the ballpark, and help the animals at the same time. Bark at the Park, which took place on Sunday, August 4th invited families to watch the **Miami Marlins** play the Cleveland Indians. All proceeds from the purchase of the doggy tickets were donated to the Humane Society of Greater Miami. Hundreds of doggies attended. It was a truly joyful experience. New this year at the Bark at the Park was the Cash Raffle - 50% of the proceeds benefitted our organization and 50% went to the raffle winner! We thank the Marlins for continuing the tradition of this super fun event!

PETNET

PetNet Culture Your canine with Desa Garcia, Lina Carrera, Jimmy Bryan

PetNet, the Humane Society's volunteer young professional group, has been very busy! Four big events took place which raised much needed funds for the animals.

Spring 2013 started off with **"ART Stars,"** held at the beautiful Mondrian South Beach Hotel, which brought together animal lovers, artists, and philanthropists. The event started with a VIP-only reception and continued with an extensive silent auction that showcased artworks from ten renowned local and international artists. We extend a very special thank you to sponsors Ocean Drive Magazine, Mondrian South Beach, and Perry Ellis.

Only one week later, PetNet participated in **"A Night with Non-Profits,"** presented by Miami City Social and held at The Hoxton. The event raised money for 13 non-profit organizations.

PetNet barely had a moment to relax before they, along with Fine Line Furniture and Accessories, Filomena Fernandez Clothing Boutique, The Americas Collection Fine Arts Gallery, and Gallilani, presented **"Culture Your Canine."** This unique and fun event allowed guests

to stroll through each showroom and enjoy music, drinks, and light bites all along the way. Cocktails were generously donated by GREY GOOSE Vodka. A great silent auction and fun raffle raised money for the animals.

To close out the fiscal year, PetNet, along with the Monica Burguera Foundation and Miami City Social, organized **"All Paws on Deck."** Capriccio on the River, in Downtown Miami, hosted the event and provided free Mojitos and scrumptious appetizers.

If you are looking for a great way to unwind and meet other people who share your commitment to helping homeless animals, please email PetNet@humanesocietymiami.org.

Many thanks to all the people and businesses who helped PetNet help the animals!

HUMANE SOCIETY IS HONORED WITH \$10,000 DONATION FROM ESPÍRITO SANTO BANK

Allison Nash-Zelkowitz, member, Humane Society's Board of Directors, Cela Boza, Letters of Credit Specialist / AVP Trade Finance Department, Espirito Santo Bank, and G. Frederick Reinhardt, Chairman & CEO Espirito Santo Bank.

On July 11, 2013, our Humane Society was one of four Miami charities that were awarded a \$10,000 grant from **Espírito Santo Bank** at its 40th anniversary celebration.

As a not-for-profit organization that relies on its community for support, the Humane Society is extremely honored to have been chosen for this award. The money will be used to continue to provide spay/neuter surgeries and preventive healthcare vaccines, at extremely low cost, to our community.

Employees of the bank were invited to nominate three of the four recipients and Miami residents were invited to nominate the fourth organization. The applications were culled and reviewed by a committee at the Espirito Santo Bank based on a set of criteria including need, allocation of financial donations to services versus overhead, dedication to serving Miami, and alignment with the bank's existing philanthropic programs.

"We live and work in Miami and believe in giving back to the community that supports us," says G. Frederick Reinhardt, Chairman & CEO Espirito Santo Bank.

Laurie Wax, a dedicated volunteer and spokesperson for our TV pet programs, and Laurie Hoffman, our Associate Executive Director.

BIG THANK YOU TO NESTLE PURINA, A KEY SPONSOR TO OUR SHELTER!

Purina PetCare Company has a long history of supporting animal welfare organizations in their efforts to help more pets find homes. For more than 10 years, Purina has generously donated food for all the dogs and cats in our care. In addition to providing food, Purina has also supported our fundraisers with financial donations and goodies for gift bags, as well as by providing an amazing food and/or treat bar for Pawpurrazzi, our signature annual gala.

But its support doesn't end there. Everyone knows a picture can be worth a thousand words and for homeless animals, that's important! Through Purina's "Meet The Real Me" program, Purina donated professional quality photography equipment which will enable us to showcase our pets better and as the real beauties that they are. Check out the new and improved photos on our website: humanesocietymiami.org!

And their help continues! We all know that 60 is the new 40. Add a pet and it feels more like 25! Pets make us feel healthy, younger and more alive. Purina encourages adoptions to people of all ages, but to those 55+, the adoption fee will be waived, thanks to a \$5,000 grant from Purina! So jog on over, or take your skateboard, and make both you and a homeless animal feel awesome. It's a win, win, win, win situation. For more information about the program, go to www.purina.com/petsfor55plus.

"Purina is a true partner to our organization and to animals nationwide," says Laurie Hoffman, Associate Executive Director of the Humane Society of Greater Miami. "We greatly appreciate all the support we receive from Purina!"

HUMANE SOCIETY OF GREATER MIAMI EXPANDS NORTH CLINIC - CHECK IT OUT!

The Humane Society of Greater Miami is excited to announce that the expansion of the North Clinic at the Soffer and Fine Adoption Center in North Miami Beach is complete! A second surgical suite and exam room were added to the clinic so that twice as many spay/neuter surgeries could be performed and twice as many pet clients could be seen. The expansion and renovation of the facility in North Miami Beach encompassed the relocation of Pet Grooming, New Laundry and Processing Areas as well as increasing the size of our waiting room area.

"Responsible pet ownership and reducing the pet overpopulation problem in our County is core to our mission," says Laurie Hoffman, Associate Executive Director. "We are so appreciative of all our supporters, including the ASPCA®, who helped make this happen."

The organization operates a second low-cost, preventive healthcare clinic in Cutler Bay. Our goal is to end our community's pet overpopulation problem and to keep owned pets as healthy as possible. To meet these challenges, we performed approximately 11,000 spay/neuter surgeries and provided affordable vaccines to over 50,000 pets, last year alone. We offer low cost vaccinations and other preventive care treatments at both clinics.

For more information about our clinics or any other program or service, please visit our website: humanesocietymiami.org.

THE HUMANE SOCIETY SAYS GOOD-BYE...

Fanny Dascal with Luky, Charles Dascal and Karla Dascal

The Humane Society of Greater Miami is very saddened to announce the passing of Charles Dascal, philanthropist and owner of South Motors, among several other successful businesses. Under his leadership, South Motors became a name synonymous with quality in South Florida and nationwide. Dascal was a devoted friend to the animals at our Humane Society and always there to support us. For the past five years, South Motors has been the presenting sponsor of Pawpurrazzi, our annual gala, donating \$25,000 each year to help save the homeless and abandoned animals. His devotion and continued generosity was unending. Throughout all his work and achievements, he never sought recognition and remained a modest unsung hero in all that he did. Our sincere and warmest condolences to Karla, beloved daughter and member of our Board of Directors, and to the entire Dascal family. His family and many friends will forever cherish his memory. We were honored to know him.

TEACHING CHILDREN RESPECT & KINDNESS FOR ALL LIVING CREATURES

The Humane Society of Greater Miami believes that the building of a more kind, just and loving community for the pets and people of Miami-Dade County begins with instilling the values of kindness and compassion. At public and private schools, scouting troops, special needs groups, local libraries, various community youth organizations as well as adult organizations, our Humane Society teaches the young and old appropriate lessons about kindness to animals. To request a humane education speaker to visit your child's classroom or scout troop, please contact us at 305-749-1820.
