BAILEY

Bailey is an 8 year old Havanese. He is the older brother of Toby and is a member of a non-shedding and non-allergenic breed of dogs. Bailey is a kind, gentle, and loyal dog who loves food and belly rubs. Bailey spent over 4 years at the Ruth Kruse School visiting children who would practice their spelling words and read their favorite books to him. The children often surprised him with special projects they had been working on which would explain how much they loved Bailey.

TOBY

Toby is a 4 year old Havanese. Toby is the younger brother of Bailey and is also is a member of a non-shedding and non-allergenic breed of dogs. He is a sweet, adorable dog and wonderfully curious. Toby enjoys the company of people and children; he loves his toys and being the center of attention. He also loves to be scratched behind the ears and stretches out early in the morning along with his handler. Although he is partially blind, you could never tell, especially since he has a keen sense of smell.

MICKEY

Mickey is an 8 year old Labrador retriever who weighs 79 lbs. He is great with children and seems to never tire. He loves hugs, eating, playing fetch, and enjoys cuddling when he sleeps. Mickey had another home prior to the one he is at currently. He practically ate everything there including the owner's pillow. He currently stars in infomercials and commercials.

MAX

Max is an 8 year old Papillon who is very friendly, well behaved, loving and is always smiling. Max loves to sit next to people, waits to receive affection and loves being petted.

SPARKY

Sparky is a 7 year old Schnauzer mix and loves everyone he meets. He enjoys car rides, loves children, tends to eat cat food, loves reading fan mail and enjoys visiting people. Sparky distributed patience while visiting a school for special needs children when a child was having some problems. Sparky was asked to sit next to the child and the child's hand was placed on Sparky. At first, the child attempted to pet Sparky but was rather rough. Sparky sat patiently and eventually the child calmed down and fell asleep while petting Sparky.

WALLY

Wally is a 3 and half year old Portuguese Waterdog who is also non-shedding and non-allergenic. He loves hugs, getting attention, and administering sloppy but kind kisses. He enjoys swimming, lounging around in cool air conditioned spaces and eating chewy treats. Wally recently helped a third grader master reading a complete book by the end of their school year which was a great success for this child.
