# Burial Services

If you choose to include an optional burial service for your pet, we offer extended time at the cemetery (maximum one hour), fresh flowers, and a sparkling cider farewell toast for up to 10 people. Services can be scheduled Monday through Saturday from 9:00 am to 4:00 pm.

## Burial Facts

- We know how important it is to see that your pet's remains are treated with the same concern and care that you gave your pet during its life. We offer Perpetual Care for all purchased plots and vaults, which means that the Humane Society of Greater Miami will care for the upkeep of your plot or vault.
- We offer single burial plots only and we do not bury in caskets, therefore we ask that you bring your pet's favorite blanket as a burial shroud.
- If you will be burying cremated remains please have them in an urn or sealed box.
- If you are purchasing a plot for future use it is not necessary to purchase the memorial stone at this time.
- A 20% discount is offered for multiple plot purchases.

Founded in 1940, the Humane Society of Greater Miami's Oaklawn Pet Cemetery is dedicated as a final resting place and token of love and remembrance for our faithful companions who have crossed the Rainbow Bridge.

Providing a dignified farewell for your pet is the last act of love you can offer them, and it is an important act of closure. We take honor in providing not only a special resting place for your pet, but a peaceful sanctuary for you to spend time in remembrance of your beloveds. Our cemetery is open 7 days a week, 24 hours a day for visitation.
